INDIA FISHERIES SUSTAINABILITY CAPACITY BUILDING WORKSHOP 2025

ABOUT THE EVENT

Join industry experts, fisheries stakeholders, and sustainability advocates for an exclusive workshop focused on building capacity and strengthening India's commitment to responsible seafood trade. This session will cover:

- ▶ **MSC Principles & Standards** – Understanding sustainability requirements for certification.
- ▶ **Action Plan Implementation** – Practical steps to achieve certification.
- ▶ **Monitoring, Compliance & Auditing** – Ensuring adherence to sustainability commitments.
- ▶ **Stakeholder Collaboration** – Strengthening coordination between industry players and regulatory bodies.
